

Ready series

Compact, lightweight and easy to carry, the Flygt Ready series delivers high performance for their size. These small drainage pumps are capable of handling liquids with pH levels 5-8.

Impact-resistant from the inside out, these portable submersible pumps combine abrasion- and corrosion-resistance with economical and long-lasting pumping power.

Ready series 4, 4L, 8, 8S

Model	Ready 4	Ready 4L	Ready 8	Ready 8S
Rating [kW]	0.42	0.42	0.75	0.9
Voltage [V/phase]	230, 1~	230, 1~	230, 1~	230, 1~
Rated current [A]	2.7	2.7	4.2	5.2
